

GDPR information clause

In order to comply with the information obligation pursuant to Art. 13 of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (GDPR), we would like to inform you that:

1. The administrator of your personal data is **Fundacja na rzecz innowacji finansowych FinTech Polska** with its registered office in Warsaw, Migdałowa 1, 02-796 Warsaw, registered in the Register of Associations, Other Social and Professional Organisations, Foundations and Independent Public Health Care Institutions kept by the District Court for the Capital City of Warsaw in Warsaw, XIII Commercial Division of the National Court Register under the number KRS 0000588844, REGON 363095315, NIP: 9512401801 (hereinafter referred to as the Foundation).
2. Information on personal data relating to recipients of commercial information:
 - a) Basis for processing personal data
Personal data are collected by the Foundation and then processed as necessary to fulfill the Foundation's legitimate interest (sending commercial information about the Foundation's activities) and legal obligations incumbent on the Foundation.
 - b) Categories of personal data processed
With regard to the recipients of commercial information, the Foundation processes the recipient's e-mail address.
 - c) Purposes of the processing of personal data
Personal data may be processed for the following purposes
- sending commercial information about the Foundation,
- in accordance with the requirements of generally applicable laws or in connection with pending legal proceedings or in response to a request by a public authority to provide information held by the Foundation.
 - d) Retention period of personal data
Personal data will be processed for the duration of the commercial information mailing and, after its completion, for the period required by law.
3. Information on the processing of personal data of persons who provide their data in the contact form:
 - a) Basis for processing personal data
Personal data is collected by the Foundation and then processed as necessary to fulfil the Foundation's legitimate interests and legal obligations.
 - b) Categories of personal data processed
The Foundation processes the recipient's name, surname, position, company, e-mail.
 - c) Purposes of personal data processing
The data of persons using the contact form will be processed exclusively for the purpose of answering the question contained in the contact form.
 - d) Period of conservation of personal data
Your personal data processed for the purpose of handling your inquiry will be stored for the duration of the correspondence justified by the type of inquiry (but no longer than 12 months from the date of completion of the correspondence, unless the statute of limitations on claims is longer then until the end of the statute of limitations), or until you revoke your consent to processing in advance.
4. Information on personal data of persons who have registered for an event organised by the Foundation (FinTech Poland meetup or Future Finance Summit).
 - a) Basis for processing personal data
The processing of personal data is necessary for the lawful purposes pursued by the Administrator, i.e. the organisation of the event.
 - b) Categories of personal data processed
The Foundation processes name, surname, company, position, e-mail address.
 - c) Purposes of the processing of personal data
Personal data may be processed for the following purposes
- to enable participation in an event organised by the Foundation.
- in accordance with the requirements of generally applicable laws or in connection with pending legal proceedings or in connection with a request by a public authority to provide information held by the Foundation.

d) Retention period of personal data

Personal data will be kept until the event has been completed or for a period corresponding to the limitation period of claims that may be made by and against the Foundation.

5. The Foundation does not process the special categories of personal data referred to in art. 9 and 10 of the GDPR.
6. You have the right to withdraw your consent to the processing of your data by the Foundation and you also have the right to
 - a) access to personal data, to obtain confirmation as to whether personal data is being processed and to obtain information relating to the processing of such data,
 - b) obtain a copy of your personal data and request its communication to another designated party in a commonly used machine-readable format,
 - c) rectification of personal data if incomplete or inaccurate
 - d) erasure of all or some of the personal data if the legal basis for the processing of such data has ceased to exist (consent has been withdrawn) or if the personal data have been processed unlawfully,
 - e) to limit the processing of personal data for the time necessary to decide on the legitimacy of the request for deletion or rectification or for the time necessary to establish, assert or defend claims,
 - f) lodge a complaint against the processing of data by the Foundation with the President of the Office for the Protection of Personal Data,
7. Withdrawal of consent, request to exercise the rights referred to in points 6.a-e. As well as any other questions regarding the processing of your data, you may address them in the following ways
 - a) electronically - to the address info@fintechpoland.com,
 - b) in writing - to the address: Migdałowa 1, 02-796 Warsaw.
8. The Foundation may entrust or share your data with partners and entities that maintain the Foundation's domains and services or send commercial information.

Privacy Policy

Please read the following carefully to understand our views and practices regarding your personal information and how we will treat it. By visiting our website and using our services, you consent to the practices described in this policy.

Use of cookies

Our website may use cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you visit our website and allows us to improve our website.

Cookies are pieces of information that a website transfers to your computer's hard drive for record-keeping purposes. Cookies can make the Internet more useful by storing information about your preferences on a particular site, such as your personal favourite pages.

The use of cookies is an industry standard and most websites use them to provide useful features to their customers. Cookies in and of themselves do not personally identify users, although they do identify a user's computer. Most browsers are initially set to accept cookies.

If you prefer, you can set yours to refuse cookies. However, you may not be able to take full advantage of a website if you do so.
